

# Navigating the funding Database

---

## Step 1: Go to ORG Website and click on Find Grant Funding Tab

The screenshot shows a web browser with the URL [org.iisc.ac.in](http://org.iisc.ac.in) in the address bar. The page content includes a header with a search bar and a magnifying glass icon. Below the header, there is a section titled "COVID-19 Related Funding Opportunities". A red box highlights the "Find Grant Funding" button, which is orange with white text. An arrow points from the text "Click on Find Grant Funding" to this button. The "Find Grant Funding" button is positioned above other buttons: "Find HPC Resources" (pink), "Upcoming Deadlines" (purple), "Forms & Templates" (dark purple), and "Contact Us" (blue).

The Office of Research Grants (ORG) provides services and support for the effective administration of sponsored projects at the Indian Institute of Science. The office will function primarily to support faculty, post-doctoral and graduate students with tools and processes to solicit, secure and manage extramural project funding. The office will serve as an intermediary between national and international grant agencies and the various administrative offices at the Institute to provide oversight for grant availability, policy and research administration compliance, grant management and financial reporting, and research highlights communications. We strive to provide the highest level of professionalism and service to support and promote the research at IISc.

Step 2: On the Find Funding Page, go through the Grant categories listed under Faculty and click on the relevant category

### Upcoming deadlines

Please fill in the [Proposal Submission Initiation Form \(Form A\)](#) to notify the office of any new proposal that you plan on submitting.
