Hello campus researchers!

We bring to you yet another issue of STREAM this month with a list of funding opportunities. While November has brought in a cold nip in the air, it is also a month where we exchange warm wishes for prosperity in our lives. As we come close to the end of 2021, we hope that despite the challenges, this newsletter has enabled you to look forward to opportunities that have facilitated your research endeavors at the Institute.

Please do not forget to write to us for any grant-related queries. We are still looking forward to receiving photographs which will bring in more vibrancy to this newsletter so do consider sending them to us.

Stay safe and happy reading!

With best wishes,
ORG Team.
