

Hello campus researchers!

Welcome to another edition of our monthly grants newsletter, **STREAM**.

The MBBS Internship Program has started with 24 students who will spend a month on campus through the year.

Thanks to generous funding from the donors.

Please write to us for any grant-related queries or to share news of funded grants you have received recently.

With best wishes,
ORG Team.

For queries, write to us at office.org@iisc.ac.in

VISITING SCIENTIST PROGRAM

Royal Society Wolfson Visiting Fellowship

Overview: Opportunity to foster international collaborative links to enrich scientific research.

Submission Deadline: 13 July, 2022.

USIEF-Fulbright-Nehru Academic and Professional Excellence Fellowships

Overview: Provides Indian faculty, researchers, and professionals the opportunity to teach, conduct research, or carry out both at a US institution.

Submission Deadline: 15 July, 2022.

MEETING GRANTS

IGSTC-DST Indo-German Bilateral Workshops

Overview: Invites proposals to organize Indo-German workshops on areas of mutual interest to create interaction platforms between scientists/researchers from academia and industry.

Submission Deadline: 31 July, 2022.

DISTINGUISHED/ EMERITUS SCIENTIST AWARD

Queen Elizabeth Prize for Engineering

Overview: Invites nominations for groundbreaking engineering innovation for global benefits.

Submission Deadline: 15 July, 2022.

RESEARCH GRANTS

[Conservation, Food and Health Foundation Grant](#)

Overview: Funds to protect natural resources, improve food production/distribution as well to promote public health in Asia, Africa, Latin America, and the Middle East.

Submission Deadline: 1 July, 2022.

[BIRAC Technology Innovations for Boosting Farmers' Income from Start-Ups and SME's under Agri-Grand Challenge](#)

Overview: Focuses to demonstrate increased incomes through deployment of selected technologies.

Submission Deadline: 15 July, 2022.

[INSA Indira Gandhi Prize for Popularization of Science](#)

Overview: To encourage and recognize popularization of science in the country.

Submission Deadline: 15 July, 2022.

[ICMR Grant-in-Aid Scheme for Inter-Sectoral Convergence and Coordination for Promotion and Guidance on Health Research" for the Year 2022-23](#)

Overview: Funding support for carrying out research in areas of; mental health, diabetes, metabolic disorders, reproductive and child health, innovations in health technology and health informatics, etc.

Submission Deadline: 29 July, 2022.

BILATERAL RESEARCH GRANTS

[NIH Transformative Research Award for the INCLUDE \(Investigation of Co-occurring Conditions across the Lifespan to Understand Down syndrome\)](#)

Overview: Supports innovative/unconventional research to develop transformative technologies related to Down syndrome.

Submission Deadline: 1 July, 2022.

[NIH Global Infectious Disease Research Training Program](#)

Overview: Invites applications on collaborative training from US and low- and middle-income country (LMIC) institutions to strengthen the capacity to conduct infectious disease research.

Submission Deadline: 3 July, 2022.

[NIH Investigating Transposable Elements and Mobile DNA as Targets of Integration for Establishing HIV Reservoirs in the Brain](#)

Overview: Supports research examining contributions of mobile DNA elements for establishing and maintaining HIV reservoirs in the brain.

Submission Deadline: 3 July, 2022.

[NIH Enhancing HIV Reservoir Susceptibility to Elimination](#)

Overview: Supports basic research to define cellular and molecular mechanisms within HIV reservoir cells.

Submission Deadline: 3 July, 2022.

[NIH Developing Digital Therapeutics for Substance Use Disorders](#)

Overview: To develop clinical-grade mobile/web/ software-based platforms to deliver treatments for substance use disorders (SUDs).

Submission Deadline: 4 July, 2022.

[NIH Priority HIV/AIDS Research within the Mission of the NIDDK](#)

Overview: Stimulates HIV/AIDS research within the mission of the NIDDK.

Submission Deadline: 5 July, 2022.

[NIH Device-Based Treatments for Substance Use Disorders](#)

Overview: To develop neuromodulatory/ neurophysiological devices for effective Substance Use Disorders (SUDs) treatments.

Submission Deadline: 10 July, 2022.

[NIH Cutting-Edge Basic Research Awards](#)

Overview: Fosters innovative research related to the etiology, pathophysiology, prevention/treatment of SUDs.

Submission Deadline: 10 July, 2022.

[NIH Behavioral & Integrative Treatment Development Program](#)

Overview: Encourages applications working on the development and testing of behavioral and integrative treatments for drug and alcohol use, abuse, and dependence.

Submission Deadline: 10 July, 2022.

[NIH NICHD Program Project Grants for HIV Research](#)

Overview: Supports multi-project research programs which address HIV scientific areas that are relevant to the NICHD mission.

Submission Deadline: 10 July, 2022.

[NIH Single Cell Opioid Responses in the Context of HIV \(SCORCH\) Program Expansion](#)

Overview: Supports generation of single cell RNA-sequencing data sets relevant to persistent HIV infection and substance use disorders (SUD).

Submission Deadline: 11 July, 2022.

[NIH Chronic, Non-Communicable Diseases \(NCD\) and Disorders Across the Lifespan: Fogarty International Research Training Award](#)

Overview: Supports institutional research training programs in low-and middle-income countries in collaborations with US institutions to strengthen NCD research capacity.

Submission Deadline: 13 July, 2022.

[CEFIPRA Collaborative Scientific Research Programme](#)

Overview: Supports research in advanced areas of basic and applied science to nurture scientific competency.

Submission Deadline: 15 July, 2022.

[NIH High Priority HIV and Substance Use Research](#)

Overview: Invites innovative research with a potential to open new areas of HIV/AIDS and substance use research.

Submission Deadline: 15 July, 2022.

[NIH Enhancing Social Connectedness and Ameliorating Loneliness to Prevent and Treat SUD and Support Recovery \(R21 - Clinical Trial Not Allowed\)](#)

Overview: Encourages exploratory and developmental research to understand the role of social connectedness for recovery from SUDs.

Submission Deadline: 15 July, 2022.

[NIH Enhancing Social Connectedness and Ameliorating Loneliness to Prevent and Treat SUD and Support Recovery \(R34 - Clinical Trial Optional\)](#)

Overview: Encourages pilot work and preliminary research to support preparation for trials examining strategies to address social connectedness to treat SUDs.

Submission Deadline: 15 July, 2022.

[Global Ecosystem-based Adaptation Fund](#)

Overview: Prioritizes projects within a broad thematic focus on innovation and urgency supporting climate change adaptation initiatives.

Submission Deadline: 15 July, 2022.

[NIH Clinical Trial Readiness for Rare Neurological and Neuromuscular Diseases](#)

Overview: Supports clinical research that address the needs for clinical trial readiness in rare neurological and neuromuscular diseases.

Submission Deadline: 18 July, 2022.

[DST-GITA India-Spain Programme of Co-Operation on Industrial Research & Development 2022](#)

Overview: Invites collaborative research projects in the areas of clean tech (renewables, water, environmental), internet of things (smart mobility, smart grids, smart cities, etc.), digital health and medical devices, agro & food technologies and other sectors of mutual interest.

Submission Deadline: 22 July, 2022.

[NIH Planning Grant for Fogarty HIV Research Training Program for Low- and Middle-Income Country Institutions](#)

Overview: Supports research training to strengthen HIV research capacity in low-and middle-income countries (LMICs).

Submission Deadline: 22 July, 2022.

[NIH Infrastructure Development Training Programs for Critical HIV Research at Low-and Middle-Income Country Institutions](#)

Overview: Encourages collaborative applications from US and LMIC institutions to develop training programs for research infrastructure support functions.

Submission Deadline: 22 July, 2022.

[NIH Fogarty HIV Research Training Program for Low-and Middle-Income Country Institutions](#)

Overview: Fosters scientific capacity building of institutions in low- and middle-income countries (LMICs) to conduct HIV research.

Submission Deadline: 22 July, 2022.

[NIH Urgent Award: COVID-19 Mental Health Research \(R01 Clinical Trial Optional\)](#)

Overview: Addresses urgent, time-sensitive mental health research questions related to COVID-19.

Submission Deadline: 25 July, 2022.

[NIH Research Opportunities in Established Cancer Epidemiology Cohort Studies](#)

Overview: Supports research in established cancer epidemiology cohort studies.

Submission Deadline: 29 July, 2022.

[NIH CEPI Call for Proposals: State-of-the-Art Immunogen Design using Computational Antigen Simulation Technologies for Vaccine Development Against Emerging Infectious Diseases](#)

Overview: Invites proposals for state-of-the-art immunogen design for vaccine development against emerging infectious diseases.

Submission Deadline: 31 July, 2022.

POSTDOCTORAL FELLOWSHIP[MK BHAN-Young Researcher Fellowship Program 2022-23](#)

Overview: Independent research grants to young Post-Doctoral fellows to take up cutting edge research focused on issues of national relevance.

Submission Deadline: 15 July, 2022.

[The Alexander von Humboldt Foundation Research Fellowship](#)

Overview: Fellowships for postdoctoral and experienced researchers of all nationalities to conduct their research (in all disciplines) in Germany.

Submission Deadline: 31 July, 2022.

TRAINING FELLOWSHIP[USIEF- Fulbright-Nehru Doctoral Research Fellowships](#)

Overview: Fellowships for Indian scholars who are registered for a PhD at an Indian institution to conduct research in US institutions.

Submission Deadline: 15 July, 2022.

[DHR-ICMR Funded Workshops on Clinical Training/Translational Research](#)

Overview: Invites applications/proposals for organizing Workshops on "Clinical Training" for medical students or young clinicians/scientists in the related field of biomedical research.

Submission Deadline: 29 July, 2022.
